Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAR 23 10:22

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Please do not restrict the availability of
compounded medications!

The medication I take has literally
saved my marriage - and it is only
available to me this way.

I do not support this effort to limit
prescriptions to the specialized pharmacy.
